

Thank you for registering to participate in the Bockfest 5K Virtual Event, part of the TQL Beer Series! Although we wish we could see you cross the finish line in-person, we have included instructions and important information below.

HOW DO I PARTICIPATE IN THE VIRTUAL EVENT?

The virtual Bockfest 5K event allows you to complete your race on your own. You will run or walk the race distance at your own pace, on your own time, and in the location of your choosing. You can complete your race before March 6th.

SUBMITTING RESULTS

While it is not mandatory to submit a verified race result by March 6th, we encourage you to use the free ASICS Runkeeper app.
